

IEEE Robotics and Automation Society

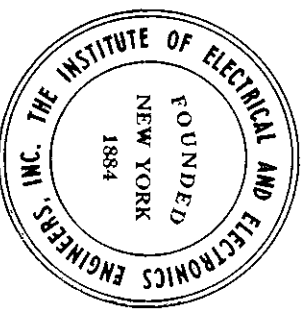

2002 King-Sun Fu Memorial Best Transactions Paper Award

is presented to

Ezio Mafis

For the paper co-authored with Francois Chaumette entitled

"Theoretical Improvements in the Stability Analysis of a New Class of Model-Free Visual Servoing Methods,"
published in the IEEE Transactions on Robotics and Automation, Volume 18, No. 2, pp. 176-186, April 2002.
